## AHB Pays Income Distribution Of RM31 Million To Unitholders

KUALA LUMPUR, Oct 24 (Bernama) -- Pelaburan Hartanah Bhd (PHB) and Maybank Asset Management Sdn Bhd today jointly announced the second income distribution of 3.25 sen a unit for Amanah Hartanah Bumiputera (AHB) unitholders for fiscal 2012, involving a total payout of about RM31 million.

This translated to an annualised income yield of 6.5 per cent when benchmarked against the 12-month Maybank Islamic Bhd's General Investment Account-i.

The second payout for this year will be directly credited into unitholders' bank accounts on Oct 25, 2012.

This is the fourth income distribution made by AHB to unitholders since its inception in November 2010.

AHB income distribution, if any, is payable on a six-monthly basis and the payouts are tax-exempted and are net-zakat contribution.
