Dear Sirs

Taxation of the unit trust fund and unit holders

This letter has been prepared for inclusion in this Fourth Supplementary Master Information Memorandum in connection with the offer of units in the unit trust known as Maybank Enhanced Cash XIII Fund and Maybank Shariah Enhanced Cash Fund (hereinafter referred to as “the Fund”).

The purpose of this letter is to provide prospective unit holders with an overview of the impact of taxation on the Fund and the unit holders.

Taxation of the Fund

The taxation of the Fund is subject to the provisions of the Malaysian Income Tax Act 1967 (MITA), particularly Sections 61 and 63B.

Subject to certain exemptions, the income of the Fund comprising profits and other investment income derived from or accruing in Malaysia after deducting tax allowable expenses, is subject to Malaysian income tax at the rate of 24% with effect from the year of assessment 2016.

Under Section 2(7) of the MITA, any reference to interest shall apply, *mutatis mutandis*, to gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of *Syariah*.

A member firm of Ernst & Young Global Limited

Investors are advised to read this Fourth Supplementary Master Information Memorandum dated 14 January 2025 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018, the Second Supplementary Master Information Memorandum dated 1 April 2019 and the Third Supplementary Master Information Memorandum dated 8 February 2024.

The Board of Directors
Maybank Asset Management Sdn Bhd.
23 December 2024

2

The effect of this is that any gains or profits received (hereinafter referred to as "profits") and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of *Syariah*, will be accorded the same tax treatment as if they were interest.

Tax allowable expenses would comprise expenses falling under Section 33(1) and Section 63B of the MITA. Section 33(1) permits a deduction for expenses that are wholly and exclusively incurred in the production of gross income. In addition, Section 63B allows unit trusts a deduction for a portion of other expenses (referred to as "permitted expenses") not directly related to the production of income, as explained below.

"Permitted expenses" refer to the following expenses incurred by the Fund which are not deductible under Section 33(1) of the MITA:

- ▶ the manager's remuneration,
- ▶ maintenance of the register of unit holders,
- ▶ share registration expenses,
- ▶ secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postage.

These expenses are given a partial deduction under Section 63B of the MITA, based on the following formula:

$$A \times \frac{B}{4C}$$

- where
- A is the total of the permitted expenses incurred for that basis period;
 - B is gross income consisting of dividend¹, interest and rent chargeable to tax for that basis period; and
 - C is the aggregate of the gross income consisting of dividend¹ and interest (whether such dividend or interest is exempt or not) and rent, and gains made from the realisation of investments (whether chargeable to tax or not) for that basis period,

provided that the amount of deduction to be made shall not be less than 10% of the total permitted expenses incurred for that basis period.

¹ Pursuant to Section 15 of the Finance Act 2011, with effect from the year of assessment 2011, dividend income is deemed to include income distributed by a unit trust which includes distributions from Real Estate Investment Trusts.

Foreign-sourced income (FSI)

Pursuant to the Finance Act 2021, income derived by a resident person from sources outside Malaysia and received in Malaysia from 1 January 2022 will no longer be exempt from tax.

Based on the Malaysian Inland Revenue Board's "Guidelines on Tax Treatment in Relation to Income Received from Abroad (Amendment)" updated on 20 June 2024, the term "received in Malaysia" means transferred or brought into Malaysia, either by way of cash⁴ or electronic funds transfer⁵.

FSI received in Malaysia during the transitional period from 1 January 2022 to 30 June 2022 will be taxed at 3% of gross. From 1 July 2022 onwards, FSI received in Malaysia will be taxed at the prevailing tax rate(s) of the taxpayer and based on applicable tax rules. Bilateral or unilateral tax credits may be allowed if the same income has suffered foreign tax⁶, and where relevant conditions are met.

The Income Tax (Unit Trust in relation to Income Received In Malaysia from Outside Malaysia) (Exemption) Order 2024 [P.U.(A) 250] has been issued to exempt a "qualifying unit trust"⁷ from the payment of income tax in respect of gross income from all sources of income under Section 4 of the MITA (including capital gains classified under Section 4(aa)), which is received in Malaysia from outside Malaysia.

This exemption applies to FSI received in Malaysia from 1 January 2024 to 31 December 2026, subject to the following conditions being complied with by the qualifying unit trust or the management company⁸ of the qualifying unit trust:

- ▶ The income received in Malaysia has been subject to tax of a similar character to income tax under the laws of territory from which the income arose; and
- ▶ The highest rate of tax of a similar character to income tax under the law of that territory at that time is not less than 15%.

- The management company of the qualifying unit trust shall employ an adequate number of employees in Malaysia and incur an adequate amount of operating expenditure in Malaysia.

The exemption will not apply to a unit trust carrying on the business of banking, insurance or sea or air transport.

Gains from the realisation of investments

Pursuant to the Finance (No. 2) Act 2023 ("Finance Act"), gains from the realisation of investments by a unit trust would no longer be exempt from tax. Pursuant to Section 61(1)(b) of the MITA, gains arising from the realisation of investments shall be treated as income of a unit trust under Section 4(aa) of MITA, provided that such gains are not related to real property as defined in the Real Property Gains Tax Act 1976. Section 4(aa) provides that gains or profits from the disposal of a capital asset are to be treated as a class of income. The tax imposed on such income under the MITA is commonly referred to as "capital gains tax" (CGT).

Based on the MITA, the following will be subject to Malaysian CGT:

Capital assets situated in Malaysia

- a) Gains or profits from the disposal of shares of a company incorporated in Malaysia not listed on the stock exchange (including any rights or interests thereof) owned by a company, limited liability partnership, trust body or co-operative society

Note:

Pursuant to the Income Tax (Exemption) (No.3) Order 2024 [P.U.(A) 75], a trust body is exempted from payment of income tax in respect of gains or profits from the disposal of capital asset arising from outside Malaysia which is received in Malaysia. This exemption applies for such disposals from 1 January 2024 to 31 December 2026 subject to the following conditions being complied with by the trust body:

- employ an adequate number of employees in Malaysia with necessary qualifications to carry out the specified economic activities in Malaysia; and

- incur an adequate amount of operating expenditure for carrying out the specified economic activities in Malaysia.

Note that this exemption order applies to companies, limited liability partnerships, co-operative societies and trust bodies, whilst the (Income Tax (Unit Trust in relation to Income Received in Malaysia from Outside Malaysia) (Exemption) Order 2024 [P.U.(A) 250] (as referred above) applies specifically to qualifying unit trusts.

The Finance Act provides an effective date of 1 January 2024 for the above changes to the MITA. However, pursuant to the Income Tax (Exemption) (No. 7) Order 2023 [P.U.(A) 410] and the Income Tax (Exemption) (No. 2) Order 2024 [P.U.(A) 57], taxpayers, including a trust body, are exempted from the payment of income tax in respect of any gains or profits received from the disposal of capital assets situated in Malaysia (see Item (a) and (b) above) where such disposals occur between 1 January and 29 February 2024.

In addition to the above, the Income Tax (Unit Trust) (Exemption) Order 2024 [P.U.(A) 249] exempts a qualifying unit trust⁹ resident in Malaysia from the payment of income tax in respect of any gains or profit received from the disposal of shares of a company incorporated in Malaysia which is not listed on the stock exchange and from the disposal of shares under section 15C of the MITA where such disposals occur between 1 January 2024 to 31 December 2028.

The exemption will not apply to gains or profits from the disposals of capital asset that fall under Section 4(a) of the MITA, as business income.

CGT rates

As noted above, various tax exemptions are available to a qualifying unit trust. For completeness, if exemptions did not apply, the relevant tax rates of the gains of the disposal of capital assets are as below:

	Tax rates
A. Disposal of capital assets situated in Malaysia which was acquired before 1 January 2024	
▸ On chargeable income of the disposal	10%
▸ On gross disposal price	2%
B. Disposal of capital assets situated in Malaysia which was acquired after 1 January 2024	
▸ On chargeable income of the disposal	10%

⁹ "Qualifying unit trust" in this context does not include a unit trust which is approved by the Securities Commission as a Real Estate Investment Trust or Property Trust Fund listed on Bursa Malaysia.

Implementation of Sales and Service Tax (“SST”)

Sales and Service Tax (“SST”) was re-introduced effective 1 September 2018. Sales Tax of 10% (most common rate) or 5% is charged by Malaysian manufacturers of taxable goods or upon importation into Malaysia of such taxable goods, unless specifically exempted under the Sales Tax (Goods Exempted From Tax) Order 2018. Service Tax is charged on certain prescribed taxable services performed by taxable persons as stipulated under Service Tax Regulations 2018. The input tax recovery mechanism under the previous GST regime does not apply to SST. Therefore, any SST incurred is not recoverable and will form a cost element for businesses.

Based on the Service Tax Regulations 2018, a unit trust fund is neither regarded as a taxable person nor as providing taxable services and is therefore not liable for SST registration. Where the Fund incurs expenses such as management fees, the management services provided by asset and fund managers who are licensed or registered with Securities Commission Malaysia for carrying out the regulated activity of fund management under the Capital Markets and Services Act 2007, are specifically excluded from the scope of Service Tax. As for other fees, such as trustee fees and other administrative charges, these may be subject to service tax¹⁰ provided they fall within the scope of service tax (i.e. are provided by a “taxable person”, who exceeds the required annual threshold (in most cases RM 500,000 per annum) and the services qualify as “taxable services”).

Taxation of unit holders

For Malaysian income tax purposes, unit holders will be taxed on their share of the distributions received from the Fund.

The income of unit holders from their investment in the Fund broadly falls under the following categories:

1. taxable distributions; and
2. non-taxable and exempt distributions.

In addition, unit holders may also realise a gain from the sale of units.

¹⁰ Pursuant to Service Tax (Rate of Tax) (Amendment) Order 2024 [P.U. (A) 64], the service tax rate is increased from 6% to 8% with effect from 1 March 2024 on generally all of the taxable services except for provision of food and beverage services, telecommunication services, parking space and logistics services.

Investors are advised to read this Fourth Supplementary Master Information Memorandum dated 14 January 2025 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018, the Second Supplementary Master Information Memorandum dated 1 April 2019 and the Third Supplementary Master Information Memorandum dated 8 February 2024.

The tax implications of each of the above categories are explained below:

1. Taxable distributions

Distributions received from the Fund will have to be grossed up to take into account the underlying tax paid by the Fund and the unit holder will be taxed on the grossed up amount. See however item 2 below on certain distributions which are not taxable to unit holders.

Such taxable distributions carry a tax credit, which will be available for set-off against any Malaysian income tax payable by the unit holder. Should the tax deducted at source exceed the tax liability of the unit holder, the excess is refundable to the unit holders.

Please refer to the paragraph below for the income tax rates applicable to the grossed up distributions.

2. Non-taxable and exempt distributions

Tax exempt distributions made out of gains from the realisation of investments and exempt income earned by the Fund will not be subject to Malaysian income tax in the hands of the unit holders.

A retail money market fund is exempted from tax on its interest income derived from Malaysia, pursuant to Paragraph 35A of Schedule 6 of the MITA. Pursuant to the Finance Act 2021, with effect from 1 January 2022, distributions by a retail money market fund from such tax exempt interest income, to a unit holder other than an individual, will no longer be exempt from tax. The distribution to unit holders other than individuals will be subject to withholding tax at 24%. This would be a final tax for non-residents. Malaysian residents are required to include the distributions in their tax returns and claim a credit in respect of the withholding tax suffered. Individuals will continue to be exempt from tax on such distributions.

As stated above, with effect from 1 January 2024 (1 March 2024 for disposals of shares of a company incorporated in Malaysia not listed on the stock exchange), gains arising from the realisation of investments shall be treated as income of the Fund under Section 4(aa), pursuant to the proviso of Section 61(1)(b) of MITA.¹² However, pursuant to Section 61(1A) of MITA, unit holders will still not be charged to tax on the gains referred to in the proviso to Section 61(1)(b).

Rates of tax

The Malaysian income tax chargeable on the unit holders would depend on their tax residence status and whether they are individuals, corporations or trust bodies. The relevant income tax rates are as follows:

- ▶ Reinvestment of distributions - unit holders may choose to reinvest their income distribution in new units by informing the Manager. In this event, the unit holder will be deemed to have received the distribution and reinvested it with the Fund.

14. Amendment to section 4.2.13 - Valuation of Investment of Maybank Shariah Enhanced Cash Fund in "Chapter 4 - Information on the Funds" on page 14 of the Master Information Memorandum

The information in item (b) has been deleted in its entirety and replaced with the following:

Investors are advised to read this Third Supplementary Master Information Memorandum dated 8 February 2024 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018 and the Second Supplementary Master Information Memorandum dated 1 April 2019.

Investments in Islamic commercial papers and Islamic treasury bills are valued each day based on the price quoted by bond pricing agency (BPA) registered with the SC. Where the Manager is of the view that the price quoted by BPA differs from the market price by more than 20 basis points, the Manager may use the market price, provided that the Manager:

- i) records its basis for using a non-BPA price;
- ii) obtains necessary internal approvals to use the non-BPA price; and
- iii) keeps an audit trail of all decisions and basis for adopting the market yield.

For investments in Islamic money market instruments with remaining term to maturity of not more than 90 days at the time of acquisition, such instruments are valued each day based on amortised cost. The risk of using amortised cost accounting is the mispricing of the money market instruments. We will monitor the valuation of such Islamic money market instruments using amortised cost method against the market value on a daily basis and will use the market value if the difference in valuation exceeds 3%.

15. Amendment to section 6.2 - Computation of NAV in “Chapter 6 - Transaction Information” on page 26 of the Master Information Memorandum

The illustration on how NAV per Units is calculated (on a Business Day) is hereby deleted in its entirety and replaced with the following:

The NAV of the Fund is determined by deducting the value of the Fund’s liabilities from the value of the Fund’s assets at a valuation point.

Please note that the example below is for illustration only:

	RM
Value of the Fund	200,000,000.00
Add: Other assets (including cash) & income	1,400,000.00
Less: Liabilities	200,000.00
NAV before deducting management fee and trustee fee for the day	201,200,000.00
Less: Management fee for the day (at 0.45% per annum calculated based on the NAV) RM201,200,000.00 x 0.45% / 365 days	2480.55
Less: Trustee fee for the day (at 0.05% per annum calculated based on the NAV) RM201,200,000.00 x 0.05% / 365 days	275.62
Total NAV	201,197,243.83

The NAV per Unit of the Fund is calculated by dividing the NAV of the Fund by the number of Units in circulation at the end of each Business Day.

Investors are advised to read this Third Supplementary Master Information Memorandum dated 8 February 2024 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018 and the Second Supplementary Master Information Memorandum dated 1 April 2019.

Assuming there are 200,000,000 Units of the Fund in circulation at the point of valuation, the NAV per Unit shall therefore be calculated as follows:

		RM
	NAV of the Fund	201,197,243.83
Divide:	Units in circulation	200,000,000
	NAV per Unit of the Fund	1.006*

** The NAV per Unit will be rounded up to 4 decimal places for the purposes of publication of the NAV per Unit.*

Any subscription request/application received or deemed to have been received after this cut-off time would be considered as being transacted on the next Business Day.

Note: The Manager’s distributors may set an earlier cut-off time for receiving requests/applications in respect of subscription of Units. Please check with the respective distributors for their respective cut-off time.

Investors are advised to read this Third Supplementary Master Information Memorandum dated 8 February 2024 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018 and the Second Supplementary Master Information Memorandum dated 1 April 2019.

18. **Amendment to section 7.2 - Redemption of Units in “Chapter 7 - Transaction Details” on page 29 of the Master Information Memorandum**

MSEC	250,000 Units

[^] or such other lower number of Units as may be decided by the Manager from time to time.

19. **Amendment to section 7.4 - Switching between Funds in “Chapter 7 - Transaction Details” on pages 29 - 30 of the Master Information Memorandum**

The information on switching between Funds is hereby deleted in its entirety and replaced with the following:

Unit Holders are permitted to switch from and to other funds managed by Manager provided that both funds are denominated in the same currency. Switching is treated as a withdrawal from 1 fund and an investment into another fund. Switching will be made at the prevailing net asset value per unit of the fund to be switched from and the intended fund to be switched to on a Business Day when the switching request is received by the Manager, subject to availability and any terms and conditions imposed by the intended fund, if any.

Investors are advised to read this Third Supplementary Master Information Memorandum dated 8 February 2024 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018 and the Second Supplementary Master Information Memorandum dated 1 April 2019.

There are no restrictions on the minimum number of Units for a switch or the frequency of switching. However, Unit Holders must meet the minimum Unit holdings (after the switch) of the fund that a Unit Holder intends to switch from unless the Unit Holder is redeeming all his investments from the fund.

A Unit Holder switching from a fund with a lower sales charge, to a fund with a higher sales charge will pay the difference in sales charge between the sales charge of these two (2) funds in addition to the switching fee. If the Unit Holder switches from a fund with higher sales charge to a fund with a lower sales charge, the Unit Holder do not need to pay the difference in sales charge between these funds.

The Manager reserves the right to vary the terms and conditions for switching from time to time, which shall be communicated to Unit Holders in writing.

Switching from an Islamic fund to a conventional fund is discouraged especially for Muslim Unit Holders.

Note: The Manager’s distributors may set an earlier cut-off time for receiving applications in respect of any switching of Units. Please check with the respective distributors for their respective cut-off time.

20. Amendment to section 7.5 - Cut-Off Time for Investment and Redemption of Units in “Chapter 7 - Transaction Details” on page 30 of the Master Information Memorandum

Dear Sirs

Taxation of the unit trust fund and unit holders

This letter has been prepared for inclusion in this Third Supplementary Master Information Memorandum in connection with the offer of units in the unit trust known as Maybank Enhanced Cash XIII Fund (“MECXIII”) and Maybank Shariah Enhanced Cash Fund (“MSEC”) (hereinafter referred to as “the Fund”).

The purpose of this letter is to provide prospective unit holders with an overview of the impact of taxation on the Fund and the unit holders.

Taxation of the Fund

The taxation of the Fund is subject to the provisions of the Malaysian Income Tax Act 1967 (MITA), particularly Sections 61 and 63B.

Subject to certain exemptions, the income of the Fund comprising profits and other investment income derived from or accruing in Malaysia after deducting tax allowable expenses, is subject to Malaysian income tax at the rate of 24% with effect from the year of assessment 2016.

Under Section 2(7) of the MITA, any reference to interest shall apply, *mutatis mutandis*, to gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of *Syariah*.

A member firm of Ernst & Young Global Limited

Investors are advised to read this Third Supplementary Master Information Memorandum dated 8 February 2024 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018 and the Second Supplementary Master Information Memorandum dated 1 April 2019.

The effect of this is that any gains or profits received (hereinafter referred to as "profits") and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of *Syariah*, will be accorded the same tax treatment as if they were interest.

Tax allowable expenses would comprise expenses falling under Section 33(1) and Section 63B of the MITA. Section 33(1) permits a deduction for expenses that are wholly and exclusively incurred in the production of gross income. In addition, Section 63B allows unit trusts a deduction for a portion of other expenses (referred to as 'permitted expenses') not directly related to the production of income, as explained below.

"Permitted expenses" refer to the following expenses incurred by the Fund which are not deductible under Section 33(1) of the MITA:

- the manager's remuneration,
- maintenance of the register of unit holders,
- share registration expenses,
- secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postage.

These expenses are given a partial deduction under Section 63B of the MITA, based on the following formula:

$$A \times \frac{B}{4C}$$

where A is the total of the permitted expenses incurred for that basis period;

B is gross income consisting of dividend¹, interest and rent chargeable to tax for that basis period; and

C is the aggregate of the gross income consisting of dividend¹ and interest (whether such dividend or interest is exempt or not) and rent, and gains made from the realisation of investments (whether chargeable to tax or not) for that basis period,

provided that the amount of deduction to be made shall not be less than 10% of the total permitted expenses incurred for that basis period.

¹ Pursuant to Section 15 of the Finance Act 2011, with effect from the year of assessment 2011, dividend income is deemed to include income distributed by a unit trust which includes distributions from Real Estate Investment Trusts.

Investors are advised to read this Third Supplementary Master Information Memorandum dated 8 February 2024 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018 and the Second Supplementary Master Information Memorandum dated 1 April 2019.

Exempt income

The following income of the Fund is exempt from income tax:

- **Malaysian sourced dividends**
All Malaysian-sourced dividends should be exempt from income tax.
- **Malaysian sourced interest**
 - (i) interest from securities or bonds issued or guaranteed by the Government of Malaysia;
 - (ii) interest from debentures or *sukuk*, other than convertible loan stock, approved or authorized by, or lodged with, the Securities Commission;
 - (iii) interest from Bon Simpanan Malaysia issued by Bank Negara Malaysia;
 - (iv) interest derived from Malaysia and paid or credited by banks licensed under the Financial Services Act 2013 or the Islamic Financial Services Act 2013²;
 - (v) interest derived from Malaysia and paid or credited by any development financial institution prescribed under the Development Financial Institutions Act 2002²;
 - (vi) interest from *sukuk* originating from Malaysia, other than convertible loan stock, issued in any currency other than Ringgit and approved or authorized by, or lodged with, the Securities Commission or approved by the Labuan Financial Services Authority (LFSA)³; and
 - (vii) interest which is specifically exempted by way of statutory orders or any other specific exemption provided by the Minister.
- **Discount**
Tax exemption is given on discount paid or credited to any unit trust in respect of investments as specified in items (i), (ii) and (iii) above.

² Effective from 1 January 2019, the income tax exemption for a unit trust fund, pursuant to Paragraph 35A, Schedule 6 of the Income Tax Act, 1967 shall not apply to a wholesale fund which is a money market fund.

³ Effective from the year of assessment 2017, the exemption shall not apply to interest paid or credited to a company in the same group or interest paid or credited to a bank licensed under the Financial Services Act 2013 or the Islamic Financial Services Act 2013; or a development financial institution prescribed under the Development Financial Institutions Act 2002.

Investors are advised to read this Third Supplementary Master Information Memorandum dated 8 February 2024 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018 and the Second Supplementary Master Information Memorandum dated 1 April 2019.

Foreign-sourced income

Pursuant to the Finance Act 2021, income derived by a resident person from sources outside Malaysia and received in Malaysia from 1 January 2022 will no longer be exempt from tax.

The Guidelines issued by the Malaysian Inland Revenue Board on 29 September 2022 (amended on 29 December 2022) define the term "received in Malaysia" to mean transferred or brought into Malaysia, either by way of cash⁴ or electronic funds transfer⁵.

Foreign-sourced income (FSI) received in Malaysia during the transitional period from 1 January 2022 to 30 June 2022 will be taxed at 3% of gross. From 1 July 2022 onwards, FSI received in Malaysia will be taxed at the prevailing tax rate(s) of the taxpayer and based on applicable tax rules. Bilateral or unilateral tax credits may be allowed if the same income has suffered foreign tax, and where relevant conditions are met.

Income Tax (Exemption) (No. 6) Order 2022 has been issued to exempt a "qualifying person"⁶ from the payment of income tax in respect of dividend income which is received in Malaysia from outside Malaysia, effective from 1 January 2022 to 31 December 2026. The exemption will however not apply to a person carrying on the business of banking, insurance or sea or air transport. As the definition of "qualifying person" does not include unit trust funds, it would mean that resident unit trust funds would technically not qualify for the exemption, unless there are further updates thereto.

Gains from the realisation of investments

Pursuant to the Finance (No. 2) Act 2023 ("Finance Act"), gains from the realisation of investments by a unit trust would no longer be exempt from tax. Pursuant to Section 61(1)(b) of the MITA, gains arising from the realisation of investments shall be treated as income of a unit trust under Section 4(aa) of MITA, provided that such gains are not related to real property as defined in the Real Property Gains Tax Act 1976. Section 4(aa) provides that gains or profits from the disposal of a capital asset⁷ are to be treated as a class of income. Paragraph 38 of Schedule 6 of the MITA, introduced via the Finance Act, then provides an income tax exemption on gains or profits from the disposal of a capital asset situated in Malaysia, other than:

⁴ "Cash" in this context is defined as banknotes, coins and cheques.

⁵ "Electronic funds transfer" means bank transfers (e.g., credit or debit transfers), payment cards (debit card, credit card and charge card), electronic money, privately-issued digital assets (e.g., crypto-assets, stablecoins) and central bank digital currency.

⁶ "Qualifying person" in this context means a person resident in Malaysia who is:

- (a) An individual who has dividend income received in Malaysia from outside Malaysia in relation to a partnership business in Malaysia;
- (b) A limited liability partnership which is registered under the Limited Liability Partnerships Act 2012; or
- (c) A company which is incorporated or registered under the Companies Act 2016.

⁷ "Capital asset" means movable or immovable property including any rights or interest thereof.

Investors are advised to read this Third Supplementary Master Information Memorandum dated 8 February 2024 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018 and the Second Supplementary Master Information Memorandum dated 1 April 2019.

- (i) Disposal of shares of a company incorporated in Malaysia not listed on the stock exchange^B; and
- (ii) Disposal of shares under Section 15C of the MITA, which was introduced via the Finance Act, Section 15C deems gains or profits from the disposal of shares in a company incorporated outside Malaysia ("foreign company") to be derived from Malaysia and hence subject to Malaysian income tax, where the foreign company directly or indirectly owns real property in Malaysia exceeding certain thresholds, as determined based on the parameters of Section 15C

As such, capital assets that fall within the scope of charge of the MITA are as follows:

- a) Capital assets situated in Malaysia - Shares of a company incorporated in Malaysia not listed on the stock exchange and shares in foreign incorporated companies deriving value from real property in Malaysia.
- b) Capital assets situated outside Malaysia - All capital assets, not limited to shares.

Gains from disposal of capital assets situated outside Malaysia will only be subject to tax when the gains are received in Malaysia.

The Finance Act provides an effective date of 1 January 2024 for the above changes to the MITA. However, pursuant to the Income Tax (Exemption) (No. 7) Order 2023 [P.U.(A) 410], a trust body is exempted from the payment of income tax in respect of any gains or profits received from the disposal of shares of a company incorporated in Malaysia not listed on the stock exchange. This exemption applies for such disposals from 1 January to 29 February 2024.

The relevant tax rates of the gains of the disposal of capital assets are as below:

	Tax rates
A. Disposal of capital assets situated in Malaysia which was acquired before 1 January 2024

Implementation of Sales and Service Tax ("SST")

Sales and Service Tax ("SST") was re-introduced effective 1 September 2018. Sales Tax of 10% (most common rate) or 5% is charged by Malaysian manufacturers of taxable goods or upon importation into Malaysia of such taxable goods, unless specifically exempted under the Sales Tax (Goods Exempted From Tax) Order 2018. Service Tax is charged on certain prescribed taxable services performed by taxable persons as stipulated under Service Tax Regulations 2018. The input tax recovery mechanism under the previous GST regime does not apply to SST. Therefore, any SST incurred is not recoverable and will form a cost element for businesses.

Based on the Service Tax Regulations 2018, a unit trust fund is neither regarded as a taxable person nor as providing taxable services and is therefore not liable for SST registration. Where the Fund incurs expenses such as management fees, the management services provided by asset and fund managers who are licensed or registered with Securities Commission Malaysia for carrying out the regulated activity of fund management under the Capital Markets and Services Act 2007, are specifically excluded from the scope of Service Tax. As for other fees, such as trustee fees and other administrative charges, these may be subject to service tax⁹ provided they fall within the scope of service tax (i.e. are provided by a "taxable person", who exceeds the required annual threshold (in most cases RM 500,000 per annum) and the services qualify as "taxable services").

Taxation of unit holders

For Malaysian income tax purposes, unit holders will be taxed on their share of the distributions received from the Fund.

The income of unit holders from their investment in the Fund broadly falls under the following categories:

1. taxable distributions; and
2. non-taxable and exempt distributions.

In addition, unit holders may also realise a gain from the sale of units.

⁹ Pursuant to Service Tax Regulations 2018, the service tax rate is at 6%. It was proposed in Budget 2024 that the service tax rate be increased from 6% to 8% effective from 1 March 2024.

Investors are advised to read this Third Supplementary Master Information Memorandum dated 8 February 2024 together with the Master Information Memorandum dated 9 August 2017, the First Supplementary Master Information Memorandum dated 17 July 2018 and the Second Supplementary Master Information Memorandum dated 1 April 2019.

The tax implications of each of the above categories are explained below:

1. Taxable distributions

Distributions received from the Fund will have to be grossed up to take into account the underlying tax paid by the Fund and the unit holder will be taxed on the grossed up amount. See however item 2 below on certain distributions which are not taxable to unit holders.

Such taxable distributions carry a tax credit, which will be available for set-off against any Malaysian income tax payable by the unit holder. Should the tax deducted at source exceed the tax liability of the unit holder, the excess is refundable to the unit holders.

Please refer to the paragraph below for the income tax rates applicable to the grossed up distributions.

2. Non-taxable and exempt distributions

Tax exempt distributions made out of gains from the realisation of investments and exempt income earned by the Fund will not be subject to Malaysian income tax in the hands of the unit holders.

A retail money market fund is exempted from tax on its interest income derived from Malaysia, pursuant to Paragraph 35A of Schedule 6 of the MITA. Pursuant to the Finance Act 2021, with effect from 1 January 2022, distributions by a retail money market fund from such tax-exempt interest income, to a unit holder other than an individual, will no longer be exempt from tax. The distribution to unit holders other than individuals will be subject to withholding tax at 24%. This would be a final tax for non-residents. Malaysian residents are required to include the distributions in their tax returns and claim a credit in respect of the withholding tax suffered. Individuals will continue to be exempt from tax on such distributions.

As stated above, with effect from 1 January 2024 (1 March 2024 for disposal of shares of a company incorporated in Malaysia not listed on the stock exchange), gains arising from the realisation of investments shall be treated as income of the Fund under Section 4(aa), pursuant to the proviso of Section 61(1)(b) of MITA. However, pursuant to Section 61(1A) of MITA, unit holders will still not be charged to tax on the gains referred to in the proviso to Section 61(1)(b).

Rates of tax

The Malaysian income tax chargeable on the unit holders would depend on their tax residence status and whether they are individuals, corporations or trust bodies. The relevant income tax rates are as follows:

3. Amendment to section 5.5 - Management Fee in “Chapter 5 - Fees, Charges and Expenses” on pages 23 to 24 of the Master Information Memorandum

The second paragraph is hereby deleted in its entirety and replaced with the following:

Please note that the example below is for illustration only:

Assuming the NAV of the Fund (before deducting the management fee and trustee fee) for a particular day is RM30,000,000 with a management fee of 0.45% (exclusive of GST), then the accrued management fee (exclusive of GST) for that day would be:-

$$\frac{\text{RM30,000,000} \times 0.45\%}{365 \text{ days}} = \text{RM369.86 per day}$$

Assuming GST of 0% is applicable to the management fee, the GST applicable to the management fee for that day would be:-

= management fee for that day x GST

= RM369.86 x 0%

= RM0.00 (rounded to 2 decimal points)

Management fee for that day charged by the Fund inclusive of GST:

= RM369.86 + RM0.00

= **RM369.86**

This First Supplementary Master Information Memorandum is dated 17 July 2018 and must be read together with the Master Information Memorandum dated 9 August 2017.

4. **Amendment to section 5.6 - Trustee Fee in “Chapter 5 - Fees, Charges and Expenses” on page 24 of the Master Information Memorandum**

The second paragraph is hereby deleted in its entirety and replaced with the following:

Please note that the example below is for illustration only:

Assuming that the NAV of the Fund is RM 30,000,000 for the day with a trustee fee of 0.05% (exclusive of GST), the accrued trustee fee (exclusive of GST) for that day would be:-

$$\frac{\text{RM}30,000,000 \times 0.05\%}{365 \text{ days}} = \text{RM}41.10 \text{ per day}$$

Assuming GST of 0% is applicable to the trustee fee, the GST applicable to the trustee fee for that day would be:-

$$\begin{aligned} &= \text{trustee fee for that day} \times \text{GST} \\ &= \text{RM}41.10 \times 0\% \\ &= \text{RM}0.00 \text{ (rounded to 2 decimal points)} \end{aligned}$$

Trustee fee for that day charged by the Fund inclusive of GST:

$$\begin{aligned} &= \text{RM}41.10 + \text{RM}0.00 \\ &= \underline{\text{RM}41.10} \end{aligned}$$

5. **Amendment to section 7.3 - Transfer Ownership of Units in “Chapter 7 - Transaction Details” on page 29 of the Master Information Memorandum**

The information on the switching between funds is hereby deleted in its entirety and replaced with the following:

Unit Holders are permitted to switch from and to other funds managed by Manager provided that both funds are denominated in the same currency.

Switching will be made at the prevailing net asset value per unit of the fund to be switched from and the intended fund to be switched to on a Business Day when the switching request is received by the Manager, subject to availability and any terms and conditions imposed by the intended fund, if any.

There are no restrictions on the frequency of switching.

This First Supplementary Master Information Memorandum is dated 17 July 2018 and must be read together with the Master Information Memorandum dated 9 August 2017.

A Unit Holder switching from a fund with a lower sales charge, to a fund with a higher sales charge will pay the difference in sales charge between the sales charges of these two (2) funds in addition to the switching fee. If the Unit Holder switches from a fund with higher sales charge to a fund with a lower sales charge, and subsequently switches back to a fund with a higher sales charge similar to the first fund, the Unit Holder would need to pay the difference in sales charge between these funds unless waived by the Manager.

(3) RISK FACTORS

This section of the Info Memo provides you with information on the general risks involved when investing in the Funds and the specific risks associated with the securities/instruments that the Funds will be investing in.

3.1 General Risks of Investing in the Funds

An investor should consider the following general risks when investing in the Funds:

- **Management Risk**
Poor management of a Fund might jeopardize the investment of Unit Holders. This risk arises as performance of the Fund is dependent on investment decisions of the Manager that may adversely affect the Fund's performance. The quality of management is also dependent on the internal circumstances within the Manager and other factors that may be beyond the control of the Manager. This risk is reduced through the implementation of a structured operational process and internal controls.
- **Market Risk**
The value of an investment will decrease due to changes in market factors i.e. economic, political, or other events that impact large portions of the market. Market risk cannot be eliminated, hence the Manager will monitor the financial markets closely and act on any adverse news accordingly.
- **Liquidity risk**
The ability of a Fund to honour requests for redemption or to pay back Investors' investments is subject to the Fund's holding of adequate liquid assets. This liquidity risk is mitigated by investing in a wide range of securities with satisfactory trading volumes and avoiding securities with poor liquidity.
- **Inflation risk**
Inflation is one of the long term risks as it creates uncertainty over the future value of the investments. In an inflationary environment, a return on investment which is lower than the inflation rate will lead to a loss of purchasing power per RM to the Unit Holder.
- **Loan financing risk**
The price of Units in a Fund fluctuates with the value of the underlying portfolios. Investors are discouraged from financing the purchased Units via borrowings and should assess the inherent risk of investing with borrowed money as returns are not guaranteed. Investors may either be forced to provide additional collateral to top up on loan margin should price of Units fall beyond a certain level or Investors could be burdened with a higher cost of financing when interest rate increases.
- **Non-compliance risk**
It is the risk that the Manager might not follow the provisions set out in the Info Memo or the Deed or the law that governs the Funds or its own internal procedures, or will act fraudulently or dishonestly which may result in the Funds being mismanaged and may affect the Unit Holders' investments.
- **Returns are not Guaranteed**
Investors should be aware that by investing in a Fund, there is no guarantee of any income distribution, returns or capital appreciation. Unlike fixed deposits placed directly by the Investors into any financial institutions which carry a specific rate of return, a Fund does not provide a fixed rate of return.

3.2 Specific Risks of the Funds

An investor should consider the following risks when investing in the Funds:-

Funds	Specific Risks
<p>Maybank Enhanced Cash XI Fund</p>	<ul style="list-style-type: none"> <p>• Interest Rate Risk Interest rate fluctuations do affect the deposit returns of the Fund. Interest rates offered by the financial institutions will fluctuate according to the overnight policy rate determined by Bank Negara Malaysia and this has direct correlation with the Fund's investment in Fixed Deposit. Changes in the level of interest will cause prices of money market instruments to change inversely. This risk can largely be eliminated by holding the instruments until maturity, thereby locking in price and yields.</p> <p>• Credit / Default Risk This risk occurs when the issuer of the investments of the Fund, for example, when a financial institution defaults on its agreement, i.e. unable to service any deposit interest/coupon payments or pay the principal amount upon maturity. In such cases, Investors may suffer significant capital losses with regards to their capital invested and interest foregone.</p> <p>• Deposit Account Risk When the Fund invests into Fixed Deposits account, the interest/profits are safeguarded by the bank. Maybank Shariah Enhanced Cash Fund	Up to 0.45% per annum of the NAV of the Fund.

Note: Management fee stated above is exclusive of GST.

Please note that the example below is for illustration only:

Assuming the NAV of the Fund (before deducting the management fee and trustee fee) for a particular day is RM30,000,000 with a management fee of 0.45% (exclusive of GST), then the accrued management fee (exclusive of GST) for that day would be:-

$$\frac{\text{RM30,000,000} \times 0.45\%}{365 \text{ days}} = \text{RM369.86 per day}$$

Assuming GST of 6% is applicable to the management fee, the GST applicable to the management fee for that day would be:-

$$\begin{aligned} &= \text{management fee for that day} \times \text{GST} \\ &= \text{RM369.86} \times 6\% \\ &= \text{RM22.19 (rounded to 2 decimal points)} \end{aligned}$$

Management fee for that day charged by the Fund inclusive of GST:

$$\begin{aligned} &= \text{RM369.86} + \text{RM22.19} \\ &= \underline{\text{RM392.05}} \end{aligned}$$

5.6 Trustee Fee

Funds	Trustee Fee
Maybank Enhanced Cash XI Fund Maybank Enhanced Cash XII Fund Maybank Enhanced Cash XIII Fund Maybank Shariah Enhanced Cash Fund	0.05% per annum of the NAV of the Fund, subject to a minimum fee of RM 18,000 per annum.

Note: Trustee fee stated above is exclusive of GST.

Please note that the example below is for illustration only:

Assuming that the NAV of the Fund is RM 30,000,000 for the day with a trustee fee of 0.05% (exclusive of GST), the accrued trustee fee (exclusive of GST) for that day would be:-

$$\frac{\text{RM30,000,000} \times 0.05\%}{365 \text{ days}} = \text{RM41.10 per day}$$

Assuming GST of 6% is applicable to the trustee fee, the GST applicable to the trustee fee for that day would be:-

$$\begin{aligned} &= \text{trustee fee for that day} \times \text{GST} \\ &= \text{RM41.10} \times 6\% \\ &= \text{RM2.47 (rounded to 2 decimal points)} \end{aligned}$$

Trustee fee for that day charged by the Fund inclusive of GST:

$$\begin{aligned} &= \text{RM41.10} + \text{RM2.47} \\ &= \underline{\text{RM43.57}} \end{aligned}$$

6.2 Computation of NAV

NAV of the Fund is determined by deducting the value of the Fund's liabilities from the value of the Fund's assets, as at the valuation point. The liabilities are inclusive of the management fee and trustee fee for the day.

An illustration on how NAV per Unit is calculated (on a Business Day) is as follows:

Example			
NAV	=	RM 25,023,711.32	
Units	=	25,000,000	
NAV/Units	=	<u>RM 25,023,711.32</u>	
		25,000,000	
NAV per Unit		RM 1.000948	

Note: RM 1.000948 (rounded to nearest 6 decimal places for publication purposes)

6.3 Pricing of Units

Forward Pricing

The selling and redemption transactions are executed at Forward Pricing.

Selling Price

Based on the single pricing regime, the Selling Price per Unit is the NAV per Unit of the Fund. Any sales charge payable by the Unit Holder would be calculated as a percentage of the Selling Price per Unit of the Fund.

The Selling Price per Unit shall be the NAV of a Unit as at the next valuation point after an application of Unit is received by the Manager. A sales charge (if any) will be computed separately based on the net investment amount / purchase amount.

Illustration:

If a Unit Holder makes an investment of RM5,000,000.00 at the Selling Price per Unit of RM1.022900 (which is the Fund's NAV of a Unit as at the next valuation point) with no sales charge, a sum of RM5,000,000.00 would be payable as follows:

Investment amount	=	RM 5,000,000.00
Add: sales charge @ Nil	=	-
Add: GST @ Nil	=	-
Total amount paid by the Unit Holder	=	<u>RM 5,000,000.00</u>

The Unit Holder will be allotted with Units calculated as follows:

Units computed is	<u>RM 5,000,000.00</u>	=	4,888,063.3493 Units
calculated as	RM 1.022900	=	4,888,063.35 Units*

**Units computed are rounded to the nearest 2 decimal places.*

Redemption Price

The Redemption Price of a Unit of the Fund is the NAV per Unit of the Fund as at the next valuation point after the redemption request is received by the Manager. Any redemption charge payable by the Unit Holder would be calculated as a percentage of the Redemption Price per Unit of the Fund.

The Redemption Price shall be the NAV per Unit as at the next valuation point after the redemption request is received by the Manager.

Illustration:

If a Unit Holder redeems 100,000 Units, assuming the NAV per Unit as at the next valuation point is RM1.022900, the Unit Holder would receive net proceeds of redemption of RM102,290.00 as follows:

Redemption proceeds: 100,000 Units x RM 1.022900 = RM102,290.00

Dear Sirs

Taxation of the unit trust and unit holders

This letter has been prepared for inclusion in the Master Information Memorandum to be dated 9 August 2017 in connection with the offer of units in the unit trust known as Maybank Enhanced Cash XI Fund, Maybank Enhanced Cash XII Fund, Maybank Enhanced Cash XIII Fund and Maybank Shariah Enhanced Cash Fund (hereinafter referred to as "the Funds").

The purpose of this letter is to provide prospective unit holders with an overview of the impact of taxation on the Funds and the unit holders.

Taxation of the Funds

The taxation of the Funds is subject to the provisions of the Malaysian Income Tax Act 1967 (MITA), particularly Sections 61 and 63B.

Subject to certain exemptions, the income of the Funds comprising interest and other investment income derived from or accruing in Malaysia after deducting tax allowable expenses, is subject to Malaysian income tax at the rate of 24% with effect from year of assessment 2016.

The Board of Directors
 Maybank Asset Management Sdn Bhd

Under Section 2(7) of the MITA, any reference to interest shall apply, *mutatis mutandis*, to gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of *Syariah*.

The effect of this is that any gains or profits received (hereinafter referred to as "profits") and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of *Syariah*, will be accorded the same tax treatment as if they were interest.

Tax allowable expenses would comprise expenses falling under Section 33(1) and Section 63B of the MITA. Section 33(1) permits a deduction for expenses that are wholly and exclusively incurred in the production of gross income. In addition, Section 63B allows unit trusts a deduction for a portion of other expenses (referred to as 'permitted expenses') not directly related to the production of income, as explained below.

"Permitted expenses" refer to the following expenses incurred by the Funds which are not deductible under Section 33(1) of the MITA:

- the manager's remuneration,
- maintenance of the register of unit holders,
- share registration expenses,
- secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postage.

These expenses are given a partial deduction under Section 63B of the MITA, based on the following formula:

$$A \times \frac{B}{4C}$$

where A is the total of the permitted expenses incurred for that basis period;

B is gross income consisting of dividend¹, interest and rent chargeable to tax for that basis period; and

C is the aggregate of the gross income consisting of dividend¹ and interest (whether such dividend or interest is exempt or not) and rent, and gains made from the realisation of investments (whether chargeable to tax or not) for that basis period,

¹ Pursuant to Section 15 of the Finance Act 2011, with effect from the year of assessment 2011, dividend income is deemed to include income distributed by a unit trust which includes distributions from Real Estate Investment Trusts.

The Board of Directors
 Maybank Asset Management Sdn Bhd

provided that the amount of deduction to be made shall not be less than 10% of the total permitted expenses incurred for that basis period.

Exempt income

The following income of the Funds is exempt from income tax:

- **Malaysian sourced dividends**

All Malaysian-sourced dividends should be exempt from income tax.

- **Malaysian sourced interest (profits)**

- (i) interest from securities or bonds issued or guaranteed by the Government of Malaysia;
- (ii) interest from debentures or *sukuk*, other than convertible loan stock, approved or authorized by, or lodged with, the Securities Commission;
- (iii) interest from Bon Simpanan Malaysia issued by Bank Negara Malaysia;
- (iv) interest derived from Malaysia and paid or credited by banks licensed under the Financial Services Act 2013 or the Islamic Financial Services Act 2013²;
- (v) interest derived from Malaysia and paid or credited by any development financial institution prescribed under the Development Financial Institutions Act 2002²;
- (vi) interest from *sukuk* originating from Malaysia, other than convertible loan stock, issued in any currency other than Ringgit and approved or authorized by, or lodged with, the Securities Commission or approved by the Labuan Financial Services Authority (LFSA)³; and

² Effective from the year of assessment 2017, in the case of a wholesale fund which is a money market fund, the exemption shall only apply to a wholesale fund which complies with the criteria as set out in the relevant guidelines of the Securities Commission Malaysia.

³ Effective from the year of assessment 2017, the exemption shall not apply to interest paid or credited to a company in the same group or interest paid or credited to a bank licensed under the Financial Services Act 2013 or the Islamic Financial Services Act 2013; or a development financial institution prescribed under the Development Financial Institutions Act 2002.

(vii) interest which is specifically exempted by way of statutory orders or any other specific exemption provided by the Minister.

- **Discount**

Tax exemption is given on discount paid or credited to any unit trust in respect of investments as specified in items (i), (ii) and (iii) above.

Foreign sourced income

Dividends, interest (profits) and other income derived from sources outside Malaysia and received in Malaysia by a resident unit trust is exempt from Malaysian income tax. However, such income may be subject to tax in the country from which it is derived.

Gains from the realisation of investments

Pursuant to Section 61(1) (b) of the MITA, gains from the realisation of investments will not be treated as income of the Funds and hence, are not subject to income tax. Such gains may be subject to real property gains tax ("RPGT") under the Real Property Gains Tax Act 1976 ("RPGT Act"), if the gains are derived from the sale of chargeable assets, as defined in the RPGT Act.

Goods and Services Tax ("GST")

On 1 April 2015, GST was implemented at the standard rate of 6% to replace the previous sales tax and service tax systems. Based on the Goods and Services Tax Act 2014 which was gazetted on 19 June 2014, the Funds, being a collective investment vehicle, will be making exempt supplies. Hence, the Funds is not required to be registered for GST purposes. The Funds will incur expenses such as management fees, trustee fees and other administrative charges which will be subject to 6% GST. The 6% input tax which may be incurred on such expenses will generally not be claimable by the Funds.

Taxation of unit holders

For Malaysian income tax purposes, unit holders will be taxed on their share of the distributions received from the Funds.

The income of unit holders from their investment in the Funds broadly falls under the following categories:

1. taxable distributions; and
2. non-taxable and exempt distributions.

In addition, unit holders may also realise a gain from the sale of units.

The tax implications of each of the above categories are explained below:

1. Taxable distributions

Distributions received from the Funds will have to be grossed up to take into account the underlying tax paid by the Funds and the unit holder will be taxed on the grossed up amount.

Such distributions carry a tax credit, which will be available for set-off against any Malaysian income tax payable by the unit holder. Should the tax deducted at source exceed the tax liability of the unit holder, the excess is refundable to the unit holder.

Please refer to the paragraph below for the income tax rates applicable to the grossed up distributions.

2. Non-taxable and exempt distributions

Tax exempt distributions made out of gains from the realisation of investments and other exempt income earned by the Funds will not be subject to Malaysian income tax in the hands of the unit holders.
