6. Key Risks

Specific Risks of the Fund

Profit Rate Risk

Profit rate fluctuations do affect the Islamic fixed deposit returns of the Fund. Profit rates offered by the Shariah-compliant financial institutions will fluctuate according to the overnight policy rate determined by Bank Negara Malaysia and this has direct correlation with the Fund's investment in Islamic fixed deposit. The Fund's investment in Islamic fixed deposit will benefit from higher profit rate and in the event that the profit rate is low the Fund's returns will also be low. Changes in the level of profit will cause prices of money market instruments to change inversely. This risk can largely be eliminated by holding the instruments until maturity, thereby locking in price and yields.

Credit / Default Risk

This risk occurs when the issuer of the investments of the Fund, for example, when a Shariah-compliant financial institution defaults on its agreement, i.e. unable to service any profit arise from deposit/coupon payments or pay the principal amount upon maturity. In such cases, investors may suffer significant capital losses with regards to their capital invested and profit foregone.

Deposit Account Risk

When the Fund invests into Islamic fixed deposit account, the profits are safeguarded by the Shariah-compliant financial institutions. However, the investments are not without risk. In the event that the Shariah-compliant financial institutions become insolvent, the Fund might have difficulty in getting back the money.

Liquidity Risk

It is the risk on the ability of the Fund to honour requests for redemption or to pay back unit holders' investments whereby it is subject to the Fund's holding of adequate liquid assets.

Risk of Non-Compliance with Shariah requirements

This risk occurs when the investment involves instrument(s) that does not comply with Shariah principles. However, it can be minimized through careful selection of Shariah-compliant placements and money market instruments.

Investors are reminded that the risks listed above may not be exhaustive and if necessary, they should consult their adviser(s), e.g. their bankers, lawyers, Shariah adviser, stockbrokers or independent professional advisers for a better understanding of the risks.

For more details, please refer to section 3.1 and section 3.2 in the master information memorandum for the general risks and specific risks of investing in the Fund.

Note: If your investments are made through an institutional unit trust adviser (“Distributor”) which adopts the nominee system of ownership, you would not be deemed to be a unit holder under the deed and as a result, your rights as an investor may be limited. Accordingly, the Manager will only recognise the Distributor as a unit holder of the Fund and the Distributor shall be entitled to all the rights conferred to it under the deed of the Fund.

7. Valuation of Investment

The Fund must be valued at least once every business day. The valuation of the Fund will be carried out in a fair and accurate manner. The Fund will be valued at 11.30 a.m. every business day.

Investors will be able to obtain the unit price of the Fund from www.maybank-am.com.my. Alternatively, the Manager’s client servicing personnel can be contacted at 03-2297 7888.

8. Exiting from Investment

Submission of Redemption Request	<p>The cut-off time for redemption of units shall be at 4.00 p.m. on a business day.</p> <p><i>Note: The Manager’s distributors may set an earlier cut-off time for receiving applications in respect of redemption of units. Please check with the respective distributors for their respective cut-off time.</i></p>
Payment of Redemption Proceeds	<p>The Manager will pay the redemption proceeds to unit holders on T + 1 day.</p> <p>However, if the total redemption amount for that day exceeds 50% of the Fund’s NAV, the Manager reserves the right to pay the redemption proceeds to the unit holders within 30 business days from the day the redemption request is received by the Manager.</p> <p><i>Notes:</i></p> <p>(1) T is the day where a request/application to redeem is received by the Manager before the cut off time.</p> <p>(2) In the event of any delay in payment of redemption proceeds beyond the stipulated time above, the net redemption proceeds will be paid to unit holders no later than 7 business days after the Manager receives the request to redeem.</p>

Remittance of Redemption Proceeds	The Manager shall remit redemption proceeds to the account held in the name of the unit holder(s).
